Re: Khan v. United States, 21 Civ. 1757 (JPC)

Dear Judge Aaron:

I represent the United States (the “Government”) in the above-referenced case. The parties in this matter have a settlement conference scheduled before Your Honor on September 2, 2021. The Government respectfully requests that the settlement conference be adjourned until the parties have completed fact discovery. At the time the parties requested a settlement conference, the Government anticipated it would be in possession of all of Plaintiff’s relevant medical records. While the Government sent subpoenas to all of Plaintiff’s treating providers on June 30, 2021, it is still awaiting medical records from one such provider. The Government requires those records in order to prepare for and be able to meaningfully engage in settlement discussions. Accordingly, the Government respectfully requests that the Court adjourn the settlement conference until the completion of fact discovery on October 8, 2021. The parties are available for a settlement conference the week of October 18, 2021. This is the Government’s second request for an adjournment of the settlement conference. The Court previously granted the Government’s request to adjourn the settlement conference from June 14, 2021 to September 2, 2021. Plaintiff, through his counsel, consents to this request.

Thank you for your consideration of this request.

Respectfully,
AUDREY STRAUSS
United States Attorney
